

Little Explorers

To explore is to experience wonder and awe. Let's go on daily adventures and discover new things everyday!

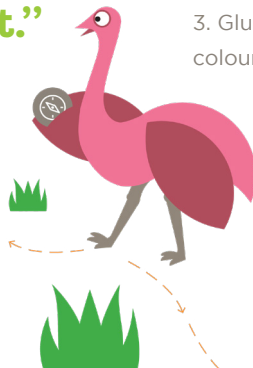

What to do - Hat:

1. Cut out the middle of the paper plate.
2. Place the paper bowl upside down in the centre of the plate (where you just cut out the section) and stick it together.
3. Decorate your safari hat. Add a piece of string to act as a neck cord.

“Not all those who wander are lost.”

J.R.R. Tolkiena

What you need...

- + Collared Shirt
- + Brown Pants
- + Cardboard rolls
- + Felt
- + String
- + Coloured Paper
- + Sticky Tape
- + Scissors
- + Glue
- + Stapler
- + Paper Plate
- + Paper Bowl

What to do - Binoculars:

1. Take two cardboard rolls and glue pieces of felt between the rolls to keep them together.
2. On the exterior of each roll, make a small hole for stringing the twine through and creating a strap.
3. Glue items on to your binoculars or colour in to decorate.
