

## COVID-19 Update February 18<sup>th</sup> 2021

Hi all,

We have another COVID-19 update to share.

Playgroups that use a community venue can reopen on Thursday February 18.

Community venues and facilities can reopen. No patron caps with a density quotient of 1 per 2sqm, subject to use of electronic record keeping. If not using electronic record keeping a density quotient of 1 per 4sqm applies.

Public gatherings of up to 20 people can gather outdoors from any number of households. Infants under 12 months are not included in the cap. That means that if you meet in a public space or a park, up to 20 people can gather and no more.

Face masks are still mandatory inside and out, if you can't social distance. We recommend adults wear them while at playgroup.
