

Nature Puppets

It's time for an adventure walk! Collect an assortment of leaves, twigs, gumnuts, and other appropriate nature materials as you go.

Homemade Nature/Recyclable

Have a look at what recyclable items and craft items you have at home that you could use to make your puppets. This is a great opportunity to explore and use your imaginations, inspired by the materials you find.

The ideas are endless! Your imagination and a touch of magic is all you need

Enjoy walking together in the fresh air. It's a great time to observe and discuss what you see and find.

Here are some puppet ideas:

- + Choose a large leaf to use as a face and attach a twig to hold onto your puppet creation
- + Make use of recyclable materials like a paper towel cylinder, paper bag, an odd sock, icy pole sticks and add leaves and decorate

DEVELOPMENTAL AREAS:

Cognitive, Fine motor, Language, Emotion, Gross Motor, Social
