

A Message to Our Playgroup Community

Our hearts are with all families, children and communities affected by the recent bushfires.

Everyone at Playgroup Victoria stands alongside those experiencing loss, disruption and uncertainty during this devastating time.

We know this is an incredibly difficult time for many children, parents and caregivers across our state and beyond.

Over the coming weeks and months, we will work closely with local playgroups, community partners and support services to provide practical assistance, resources and connection opportunities that help families rebuild and heal.

Playgroups have always been places of connection and comfort. We believe in the power of play to bring reassurance, connection and hope. We will keep creating spaces where families can come together, share and find strength through play.

Please reach out to us if your playgroup or community needs support.

You can contact us on 1800 171 882 or [via our website](#).

We are thinking of you and sending our best wishes.
