***Regarding: Postponement of the Playgroup Victoria
Conference and Statewide Community of Practice***

Dear conference delegates,

Yesterday the Victorian Government escalated emergency arrangements in preparation for the impact of COVID-19.

On advice from the Victorian Chief Medical Officer the Statewide Maternal and Child Health Nurses Conference, due to be held tomorrow, was cancelled.

We are responding accordingly as new information comes to hand. We are taking into account presenters travelling from overseas and interstate.

We have decided to take a precautionary approach and postpone the conference and Statewide Community of Practice. We will continue to work with the DHHS and look to reschedule at a time when there is greater certainty and understanding in how COVID-19 is managed within the community.

We thank you for your understanding and look forward to being in contact about new arrangements for the conference.

Kind regards,

Danny Schwarz
CEO
