

Fluffy Foam Bug Hunt

What you need:

FLUFFY FOAM

1/4 cup of liquid soap (*make sure it is for sensitive skin or babies*)

1/2 cup of water

2 tablespoons of plain flour

Food colouring (*Approximately 10 drops*)

Mixing bowl

Electric beaters

TOOLS / TOYS

1 activity tray or a large tub

It could also be done in the bath

Jugs

Measuring cups

Tongs

Kitchen utensils

Strainers or colander

Bowls

1 pack of plastic insects

Any small toys or animals to hide in the foam will work well!

This is a fantastic activity for sensory seekers, especially those who like to get messy!

See next page for step by step

TIP! It works well on an activity tray outside, in a large tub or the bath

Fluffy Foam Bug Hunt

What to do:

- + Place ingredients in a mixing bowl and beat until fluffy
- + Repeat as many times as you like until you have enough foam
- + Select a place for the activity
- + Place your insects on the tray and cover with foam
- + Place the jugs and utensils alongside the foam, ready for play!

Time to Invite your children to experience the activity

- + Demonstrate picking up insects with different utensils and turn taking
- + Show your child how much fun it is to rub your hands in the foam

Most of all have fun!

Inspiration

Have a race to see how many insects you can locate. You could sort them into colours for added intrigue and sensory stimulation!
