

Snail Paper Plate Craft

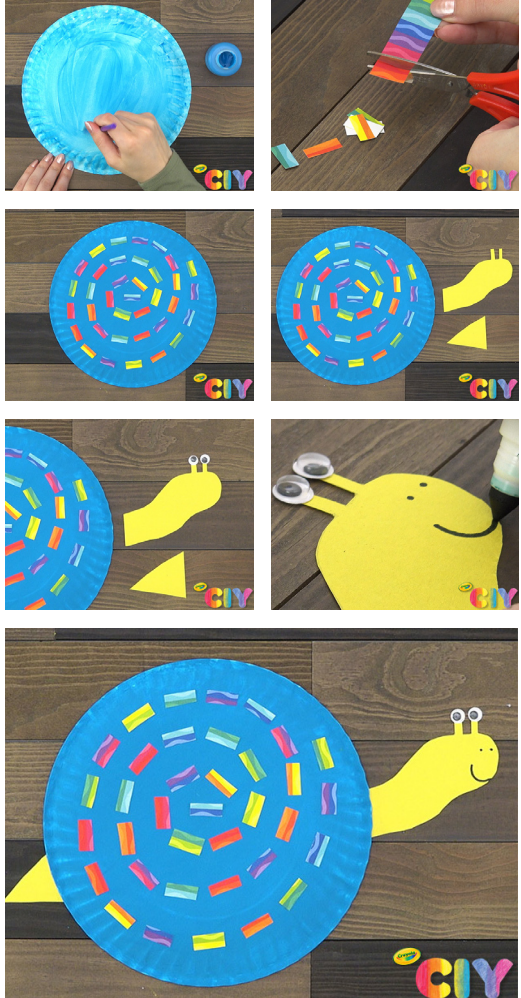

What you need...

Crayola Washable Paint
Crayola Paint Brush
Crayola Scissors
Crayola No-Run Washable School Glue
Crayola HB Pencil
Crayola Markers
Construction Paper
Paper Plate
Paper Plate
Wiggle Eyes

What to do:

1. Flip paper plate upside-down and paint. Dry 1-2 hours
2. Add second coat. Dry 1-2 hours
2. Cut out small pieces of cardstock to create shell pattern
3. Glue cardstock pieces to plate
4. Sketch and cut out construction paper head and tail-like shape
5. Glue wiggle eyes to the head
6. Draw details on the head with markers
7. Glue head and tail to back of plate

Note: Let all glue steps dry 1-2 hours
