

Animal Leaf Pictures

This activity encourages creativity and imagination. It is simple to set up, using leaves and natural items found around the garden.

What you need...

Paper
Pencils or crayons
Glue
Nature items like leaves, flowers, twigs – anything you can find!

What to do:

Let's go for a walk...

+ Collect interesting looking leaves, flowers and any other items from nature you can find

Time to get crafty!

+ Use the items you have collected to create a picture

+ Get creative!
Try creating your favourite animal or a family pet

+ When you are happy with your picture, glue the materials in place

+ Add details to the pictures using pencils or crayons

TIP! When you have finished, go for a walk and place them in your neighbours letter boxes to enhance the community spirit
