

# Nature Play Dough

This activity is simple and low cost. Let children help mix the dry ingredients and knead the dough. They love the feel, the colour and the smell!

## What to do:

- + Mix all dry ingredients
- + Add the boiling water and oil to dry mixture
- + Stir into a dough
- + Knead gently until smooth
- + Mould, shape and create!
- + Add you nature items to create interesting smells and patterns

## What you need:

- 1 cup of flour
- 1/2 cup salt
- 1 tbs Cream of Tartar
- 1 cup of boiling water mixed with 2 Tbs Oil
- Big bowl
- Wooden spoon
- Items from nature - flowers, leaves, sticks, pebbles

## Inspiration

Create different sensory experiences by incorporating different ingredients

Use flower petals, peppermint or a splash of vanilla essence
